Sources Sought Notice

DESCRIPTION

Good day, SDVOSB's, VOSB's & SB's Sources Sought Pre-Solicitation Intent To Sole Source FSS.

This Sources Sought is issued solely for informational and planning purposes only. It does not constitute the issuance of a solicitation or a promise to issue solicitation in the future. The purpose of this notice is to conduct market research and obtain information from qualified SB and large businesses. This is not a request for bids, quotes, offers, or proposals. The responses to this announcement will assist in determining the socio-economic status such as a SDVOSB set-aside if feasible. If insufficient SDVOSB responses are received to establish the basis for setting this requirement aside for SDVOSB's, the requirement may be solicited as a VOSB or a SB set aside, if none or not enough small business responses are received, this may be solicited as unrestricted, all interested parties responding shall be eligible to compete.

Please direct reply in the affirmative via email if you are interested and can provide the required product/service for this requirement. Please provide your capability statement, and any other supportive documentation. I will accept responses for this Sources Sought until the **18th of August 2026 14:00 EDT, thanks.**

SCOPE: The contractor shall provide annual Performax Web Hosted Site License and Maintenance for the current content domain hosting solution, content development, and coordination of mandatory training deployment for the Bay Pines Health Care System, which consist of C.W. Bill Young VA Medical Center (CWBYVAMC) and all associated Community Based Outpatient Clinics (CBOCs).

BACKGROUND: The VA Talent Management System (TMS) is a state-of-the-art online training and employee development system that allows current VA employees to search for and register for courses from an extensive online course catalog and track professional development through a single, integrated database. Through the DoD/VA Joint Incentive Fund (JIF) Task Order (**W81XWH-09-F-0220**), the VA acquired a set of 40 courses pertaining to Annual Regulatory Training topics from the Performax 3 COTS catalog. This request is to obtain annual Performax Web Hosted Site License and Maintenance for the current content domain hosting solution, 50 hours of content customization/development, and coordination of mandatory training deployment of JIF Courseware Version 11.5 (comprised of 40 lessons) for 5,000 users at the Bay Pines Health Care System, while ensuring that courses complies with the Department of Veteran Affairs Section 508 conformant web-based learning.
